

Elm Class

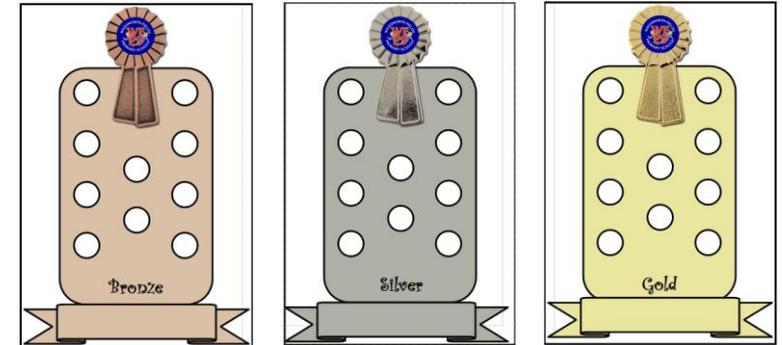

Every time your child reads at home, please sign and date a square on their reading chart, as well as filling in their organiser. Once children reach bronze, they will receive a sticker and certificate; the same when they reach silver. When they complete their chart by reaching gold, they will also get to choose a book to keep from our 'reading reward box.'

Reading Rewards

Ash, Willow, Juniper, Rowan and Sycamore Class

Each week, you child's organiser will be checked by their teacher. If they have read three times or more at home, they will be given a sticker for their bookmark, which is displayed in the classroom. **If you read more than three times this is brilliant and will help your child to be an even better reader, but they will not gain any extra stickers.** Once their bookmark is full, they will receive a prize and then begin to fill their next bookmark. Prizes include a pencil, bookmark and a new reading book

Holly, Maple and Pine Class

Each week, you child's organiser will be checked by their teacher. If they have read three times or more at home, they will be given a sticker for their teddy bear, which is displayed in the classroom. **If you read more than three times this is brilliant and will help your child to be an even better reader, but they will not gain any extra stickers.** Once their teddy bear is full, they will receive a prize and then begin to fill their next teddy bear. Prizes include a pencil, teddy bear and a new reading book.

During the holidays, it would be fabulous for children to continue reading. However, these reads will not contribute towards stickers.
