Dear Parents and Carers

Reading is at the heart of everything we do, helping children to develop their imagination, vocabulary, knowledge and confidence. We would like to refresh and expand our classroom libraries so that every child has access to a wider range of high-quality and engaging books.

We are excited to announce a whole-school sponsored event to raise money for new reading books for our classrooms. On **Friday 9 October**, our wonderful children will challenge themselves to see how many laps of the field they can complete.

As part of this exciting fundraising event, we are encouraging families to help raise as much money as possible through our **GoFundMe** page https://gofund.me/ba841e4a6. We would be grateful if you could share the fundraising link with family and friends who may be able to sponsor your child. Every contribution will help us purchase new books and create even more opportunities for children to enjoy reading.

Every donation, no matter how small, will help us purchase new books that can be enjoyed by children across the school for years to come. Your generosity will directly support reading opportunities and help foster a lifelong love of books.

Thank you for your continued support. Together, we can help fill our classrooms with exciting new books and inspire the next generation of readers.

Yours sincerely

Mrs. Porter
